### **Consciousness Kriya**

Sacred is the initiation. Sacred is the Kriya.” – Mohanji

Sacred is the path and the destination. Sacred is the practice and the practitioner.

Consciousness Kriya, a sacred and secret technique given to Mohanji by the higher Masters.

Mohanji says that, in His tradition, while They do not believe in publicising Kriya, Kriya has been available for sincere seekers from time immemorial and various Gurus have come at different times to gift it to sincere seekers. A disciple who is ready for Kriya, will be let by the tradition to it. Devi will spend time explaining the preparation procedures and theory of Consciousness Kriya. Initiation itself will be performed at a later date by Mohanji. There will be time for questions and answers.

### **Power of Purity meditation (POP)**

All of us take extra care to purify our physical body by taking showers and wearing clean clothes. But do we consider cleaning our inner space? Like the physical body, if the inner space is not taken care of, it may lead to various diseases. POP it is a deeply cleansing meditation that has an

effect on physical, emotional, mental, and spiritual levels. It was downloaded to Mohanji by the Higher Masters for elevating humanity. The Power of Purity meditation is designed to bring you to your Self.
